14 November 2022

Dear Parents/Carers

## Good News!

Our new catering provider, Chartwell's, will be starting hot dinners Monday, 21<sup>st</sup> November 2022.

Meals cost £2.15 each and the delicious menu is attached - starting on Week 1 for week commencing 21 November.

It is a three-week menu which runs from October 2022 - March 2023, when we will receive a new menu.

Please let the office know if you would like to book school meals for the rest of the term - payable weekly or termly in advance. Cash or BACS payment. The office will provide BACS details if you would prefer to pay this way.

One last thing, if your child has any medical dietary requirements, please supply Chartwells with a Doctor's letter to confirm.

Thank you  
The Little Hayes staff team
