INSET days and holiday

Term one is nearly over. The children have settled really well and have been very busy. Have a look at the classroom displays, our website, Facebook and your child's online diary (Tapestry) to see what they have been doing.

Please note that the nursery will be **closed** for staff training on **Friday 25th October and Monday 4th November**. The last day of this term will be Thursday 24th October and the children will return on Tuesday 5th November.

We hope you all have a great holiday. Don't forget you can send us photos on Tapestry of what you get up to. The children love looking at the photos with their friends.

Save nursery schools

At Little Hayes Nursery School, we are committed to providing the highest quality education for your children. Every day we work to inspire a love of learning in the children you entrust in our care, and ensure every child gets the support they need to access an early years education.

Every nursery school faces losing, on average, 30% of their budget from September 2020. That means severe cuts to the education and the services we provide to families.

If you agree that nursery schools should stay open, and be adequately funded for the long term, then please sign the petition today - bit.ly/savenurseryschools

Please share this link with every parent, guardian, and teacher you know. Thank you.

Facebook

Don't forget to visit [Facebook.com/littlehayesnursery](https://www.facebook.com/littlehayesnursery) to find out what the children have been learning at nursery.

Photographs

The photographer will be coming in to nursery on Wednesday 6th November to take individual photographs of the children. The photos will be available to order and will be back in good time for Christmas.

Grapes in lunchboxes

Please remember that all grapes should be cut in half lengthways, as they can be a choking hazard.

Where is Biscuit?

Has anyone seen Biscuit? Biscuit is one of Green Room's class mascots and he has gone home for a visit and never returned.

Please could you check if he is at your house?

Changes of clothing

Please could you ensure that your child has a spare set of clothes each day at nursery. We like to go outside in all weathers and sometimes get wet and muddy. We are often short of socks and pants, and trousers.

Also, if your child is still in nappies, please can you send in wet wipes along with the nappies. Thank you

Hopefully you will all now have access to your child's Tapestry on-line learning diary.

If you have any trouble accessing your account, please speak to your child's key worker or Emily in Green room.

Parent governor vacancy

Would you like to know more about the way the nursery is run and be more involved in your child's education? We are looking for parents who would like to become parent governors. Full training is provided.

If you are interested, please talk to Lindsey or Tanya for more details.

Nursery T-shirts and sweatshirts

We still have some stock of t-shirts and sweatshirts with our old logo.

Suggested minimum donation £1 per item.

See the office staff, or Hannah and Cath in the kitchen for sizes.

Fruit and voluntary contributions

Thank you for all your £1 voluntary contributions, and contributions of fresh fruit, vegetables and cereal. Your support is greatly appreciated.
