Book bags

We hope that your child is making good use of their book bag and borrowing books regularly from nursery. Look out for our Christmas selection now available in each classroom.

Parent governor vacancy

Thank you to Brian Hargreaves, a dad in Blue room for volunteering to become a parent governor.

If you would you like to know more about the way the nursery is run and be more involved in your child's education, there are still parent governor places available. Full training is provided. If you are interested, please talk to Lindsey or Tanya.

Facebook

We have received some very positive feedback from parents who have been following our Facebook page.

They have really enjoyed seeing some of what the children have been learning at nursery each week.

Please close the gates

Please ensure that the front gates are closed behind you every time you enter and leave the nursery. This will prevent children being able to run out of the gate, and potentially into the road. Thank you.

Changes of clothing

Please could you ensure that your child has a warm coat, and a spare set of clothes each day at nursery. We like to go outside in all weathers and often get wet and muddy. We have a few spares, but are very short of socks, pants, and trousers.

Also, if your child is still in nappies, please can you send in wet wipes along with the nappies. Thank you

Nursery T-shirts and sweatshirts

We still have some stock of t-shirts and sweatshirts with our old logo available from the office.

Suggested minimum donation £1 per item.

Save our nursery schools

Every nursery school faces losing, on average, 30% of their budget from September 2020. That means severe cuts to the education and the services we provide to families.

If you agree that nursery schools, like Little Hayes and Speedwell, should stay open, and be adequately funded for the long term, then please sign the petition today - bit.ly/savenurseryschools or sign the paper copy available in reception. Thank you.

TAPESTRY
ONLINE LEARNING JOURNAL

Hopefully you will all now have accessed your child's Tapestry on-line learning diary. Don't forget to like the observations when you read them and add comments if you wish—we would love to hear what you think about your child's learning at nursery.

You can also add photos and comments about what you have been doing together at home. The children love to talk about their families and home lives and the photos are a great way for them to share their news.

Fruit and voluntary contributions

Thank you again, for all your £1 voluntary contributions, and donations of fruit, vegetables and cereal. Your support is greatly appreciated.
